Awards: Provost Honors

EXPERIENCE

Senior Honors Thesis, Political Science, Researcher, San Diego, CA

June 2026 – Present

- Developing a comparative thesis on why U.S., British, and French foreign policy toward the Soviet Union, and later the PRC, diverged between 1917 and 1991.
- Completed a literature review of Cold War-era diplomatic history scholarship; now evaluating primary sources.
- Meeting weekly with faculty advisor Professor Germaine Houston to refine research design and draft the research question and hypotheses.

Prospect Journal of International Affairs, Staff Writer, San Diego, CA

September 2025 – Present

- Investigating and composing analytical articles on national security, constitutional law, and East Asian politics using comparative research methods.
- Authored a feature article on Hong Kong's national security law, examining its implications for judicial independence and rule of law in the post-handover era.
- Applied 5+ structured datasets, comparative indicators, and trend analysis to model policy impacts; created 10+ data visualizations to communicate findings to a policy-oriented audience.

Osgood Center for International Studies, Intern, Washington, D.C.

June – August 2025

- Collaborated with Dr. Shelton Williams on policy research, producing over 50 written analyses.
- Represented the Osgood Center at 10+ leading think tanks (CSIS, AEI, Brookings), attending conferences and drafting policy briefs on defense spending priorities, contracting trends, and resource allocation.
- Organized data into 50+ comparative models supporting strategic evaluation of defense and security issues.

Political Science Research Apprenticeship Program, Research Assistant, San Diego, CA

December 2024 – Present

- Researching the impact of Hong Kong's National Security Law on the court system, testing the resilience of the rule of law under authoritarian institutional shock.
- Committing 20+ hours weekly to dissecting Hong Kong court cases, recording plaintiffs, defendants, charges, and opinions into structured Excel datasets.
- Auditing LLM-coded data for 200 court cases weekly against manually coded datasets to ensure reliability.

LEADERSHIP EXPERIENCE

UCSD Rotaract, Club Member, San Diego, CA

September 2025 – Present

- Engaging in community service initiatives that promote civic responsibility and local development.

PROJECTS

Palance Studio, Co-Founder, San Diego, CA

February 2026 – Present

- Published 2 Roblox games, contributing across programming, 2D/3D art, market research, and marketing.
- Leading market research and venture strategy for an in-development League of Legends esports analytics platform.
